

IMPACT 15

DEMOUNT LED

YSLV
AV · LED · EVENTS

OVERVIEW

A complete screen package on a truck, offering quick, easy installation without compromising quality. Arrives on the back of a truck, screen demounts and truck drives away. It takes only one man to deliver, install and operate the screen, which helps cost efficiency.

KEY FEATURES

- » Ability to easily attach a small stage & branding
- » Rotate the whole screen to any angle - 360° rotation
- » Raise screen up to 7 meters from the ground
- » On Board Generator and Production with Laptop included as standard
- » Low kerb-weight of just 7.5 tonnes & small footprint
- » Our twin Demount units mean you can have matching mobile screens at your event

WHY CHOOSE YSLV?

- » Help and advice with your content and videos for the screen
- » 24/7 Total Support Pledge – giving you dedicated service and support that goes beyond the call of duty
- » Price Match Promise – we guarantee to match a competitor's price based on a like for like quote
