

IMPACT 42 eco

42m² HYBRID ECO LED TRAILER

YSLV

AV · LED · EVENTS

THE **FIRST BATTERY POWERED** LED TRAILER IN ITS CLASS WITH A **LOW CARBON FOOTPRINT**

The IMPACT 42 eco is a **hybrid powered** 42 sq meter LED display with an incredibly low kerb weight for its size. The IMPACT 42 eco uses new **energy efficient LED panels** and is powered by a hybrid of different power sources including **battery, solar, ultra quiet on-board generator** and direct power making it the **ideal choice for events aiming for a low environmental impact.**

- » 42 sq meter 4mm pixel pitch LED display
- » Up to 18 hours of clean battery electric & solar power and longer with additional batteries
- » Full HD Resolution
- » Matching Pair of Trailers Available
- » Designed with high quality black faced LEDs for superior contrast & picture performance
